

CONSENT FORM

THE ELECTRONIC RECORD OF AGREEING TO THIS FORM WILL BE HELD FOR A PERIOD OF 6 YEARS

Project title: The Safe Blues Experiment: A Method for Estimation and control of Epidemic Spread

Name of Principal Investigator/Supervisor (PI): Dr Azam Asanjarani (The University of Auckland), Dr Keng Chew (The University of Queensland), Raj Dandekar (Massachusetts Institute of Technology), Prof Shane G. Henderson (Cornell University), Dr Marijn Jansen (Delft University of Technology), Joshua McDonald (The University of Queensland), Dr Sarat Moka (The University of Queensland), Associate Prof Yoni Nazarathy (The University of Queensland), Dr Christopher Rackauckas (Massachusetts Institute of Technology), Dr Kirsty Short (The University of Queensland), Prof Peter G. Taylor (The University of Melbourne), Aapeli Vuorinen (Columbia University), Associate Prof Ilze Ziedins (The University of Auckland).

I have read the Participant Information Sheet, have understood the nature of the research. I have had the opportunity to ask questions and have had them answered to my satisfaction.

- I am over 16 years of age.
- I have an Android phone.
- I agree to take part in this research.
- I understand that I am free to withdraw my participation at any time, and to withdraw any data traceable to me. However aggregated and anonymized data related to me, recorded in the anonymous data server (ADS) will remain available for the experiment.
- I agree that I am responsible for choosing when to run the Safe Blues app and when not, and to manage my Android phone battery.

I am not required to identify by name, but will identify by e-mail address as described on the Safe Blues joining page, <https://safeblues.org/join/>.

By entering my e-mail and participant-id (generated by the Safe Blues app), and by ticking agreement on the Safe Blues joining page, I agree with the terms listed above.

Approved by the University of Auckland Human Participants Ethics Committee on for three years. Reference Number
